FOUND HIS *OWN* WAY INTO THESE *TEMPLES*. HOW HE DID IT IS STILL A MYSTERY TO US.
WE BELIEVE HIS RESEARCH IS LOCATED NEARBY.
IN A PLACE CALLED *SANDY SPRINGS*. IN THE *WASTES*.

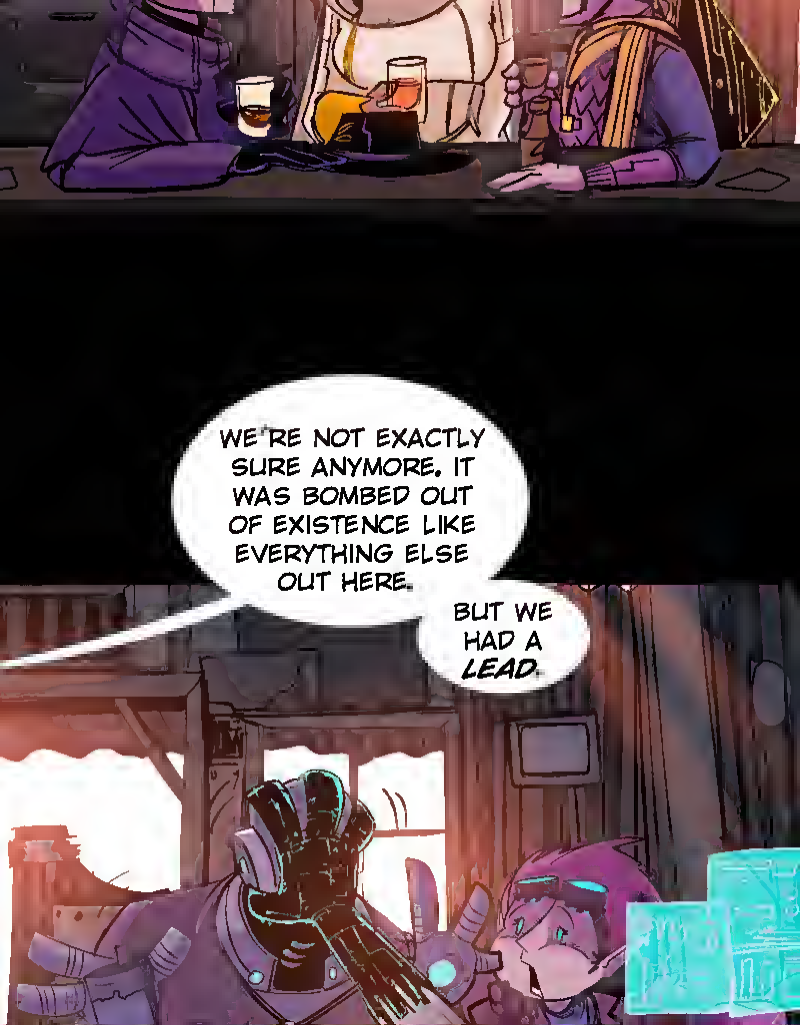
MEOW.

WHERE'S SANDY SPRINGS?

THE OTHER CONSTRUCT - *MATH.* WAS *HE* BUILT BY THESE *PRECURSORS?*
YOU *FORGET* THAT AMBROSE ATMAN

TRY AS WE MIGHT, ITS DOORS WILL NOT OPEN... NOT TO US.
IT WILL ONLY ANSWER TO PRECURSOR TECHNOLOGY.
BEAUTIFUL THOUGH, ISN'T IT?

AND THEY'RE LOOKING FOR SANDY SPRINGS ALSO?



WE'RE NOT EXACTLY SURE ANYMORE. IT WAS BOMBED OUT OF EXISTENCE LIKE EVERYTHING ELSE OUT HERE.
BUT WE HAD A *LEAD*.

A SCAVENGER WHO GOES BY THE NAME *DEKLAN* CLAIMS TO KNOW IT. WE WERE LOOKING FOR HIM WHEN THE TECH PRIESTS GOT TO US.

YES.
AND YOU THINK IT'S HERE?

OURS... AND THE TEMPLE'S, INEXPLICABLY.
WHY HAVEN'T WE ENTERED?

WE'LL TAKE OVER FROM HERE. YOUR SECURITY DETAIL HAS ARRIVED AND I KNOW *ONE* OF THEM WANTS A WORD WITH YOU.

JUST LIKE
THE FORGE
AND US.

ART BY CYNTHIA SOUSA
AND AMANDA SOUSA MACHADO

WELL, WE DON'T KNOW. BUT WE THINK WE KNOW HOW TO FIND OUT.
BEFORE THE WAR, AMBROSE KEPT MOST OF HIS PRIVATE MATERIAL AT HIS SANDY SPRINGS HEADQUARTERS.

I THOUGHT ONLY *OUR* TECHNOLOGY COULD OPERATE IN THE *WINTER*.
